Les Gets ski chalet, 5 bedrooms, 5 bathrooms, close to village, lifts and Morzine

About Chalet Oscar...

This contemporary 5 star chalet in the heart of Les Gets is a great choice for a group of extended family or friends looking to make the most of all the mountains have to offer.

With plenty of room for 12 (maximum 10 adults), Chalet Oscar has great views over the village and the mountains - in fact, you can sit on the balcony and watch the telecabine pass overhead! Huge picture windows in the living room make the most of this stunning panorama.

There is a good choice of restaurants and shops in Les Gets, so you won't have to venture far if you fancy an evening out. However, if you do decide to explore further, there's more to see in Morzine, and the neighbouring village of Montriond, which has a beautiful lake and the Brochaux waterfalls.
